INTRODUCTION

Over the next few weeks, Newlyn's Farm Shop, Café and Cookery School will be a festive hive of activity. Our butchery, deli and kitchen are working hard to make sure we can offer you the best food and drink to be found with seasonality, quality and provenance as high on our agenda as ever.

It is our mission to help you serve up a fantastic Christmas feast. Whether you prefer Turkey, Goose or Rib of Beef, you can be sure of one thing, our award winning butchery has the highest quality, free range meats. We also have all the trimmings, lovingly made by our in house chefs to tried and trusted family recipes.

The shop is full of foodie treasures from everyday essentials to delicious gourmet treats. If you're stuck for last minute gift ideas we can help you make up a bespoke hamper from goodies in the shop or, why not buy vouchers for a course at our famous Cookery School?

We have a large free car park right outside and a fabulous café to keep you refreshed.

FAMILY TREE

The Janaway Family, beginning with George Janaway back in 1918, has been producing great food in the heart of Hampshire for four generations using sustainable farming methods and traditional breeds.

Our animals have complete traceability from field to shop and are reared with the highest standards of welfare by stockmen with a lifetime of experience.

At Newlyn's we want everyone to enjoy a complete food experience from 'Field to Fork the Newlyn's Way'.

With a fifth generation just beginning to get involved we can be sure the passion will continue.

JO'S ARTISAN CHRISTMAS CHEESE BOARD

Enjoy some of the best British cheeses this Christmas with a fabulous mix of artisan award winners chosen by our cheese expert, Jo.

On this year's board you will find...

Blue Clouds

This delicate, soft blue cheese is made by hand in tiny batches by Chris Heyes in Balcombe, Sussex. We love that the dairy is right next to the parlour where the farms' herd of Holstein-Norwegian Red cows is milked. Pasteurised. Suitable for vegetarians.

Dozmary

A bold, soft new cheese inspired by the wilds of Bodmin Moor. Made in the style of a Camembert, Dozmary is oozy, buttery and packed full of character. Pasteurised. Suitable for vegetarians.

Burford

Winner of Supreme Champion at the British Cheese Awards 2025, Burford is a new Alpine-inspired cheese created by David Jowett of Rollright, Ashcombe and Yarlington fame. It's firm and smooth with a sweet, rich paste that becomes more savoury at the rind. Pasteurised. Not suitable for vegetarians.

Kirkhams Lancashire

Best known for its unique crumbly-yet-creamy texture, this traditional raw milk farmhouse Lancashire boasts a bright, full flavour finished off by a light, yogurty tang. Goes brilliantly with Christmas cake. Unpasteurised. Not suitable for vegetarians.

Blackmount

This fresh, soft, lactic-style goat's cheese has been rubbed in vegetable ash. The cheese itself has a smooth, creamy texture with a light, tangy flavour and the ash not only adds visual appeal, it also imparts a light smokiness, enhancing the cheese's earthy, herbal qualities. Unpasteurised. Suitable for vegetarians.
